# ARTITEQ BACK FRAME HANGING SYSTEM

## EASY HANGING

### 1 FIXED

Power Corners include a levelling system for the mounted panel, enabling accurate hanging without new holes having to be drilled.

### 2 SECURED

The panel can be fixed and secured to the wall using 4 Back Frame Security Clips.

### 3 FLEXIBLE

Combining the Back Frame Hanging System with a picture hanging system means flexibility and ease-of-use whilst adding decoration to walls.
